Application Process for Security Rebate Fund Special Service Area City of Chicago

The Special Service Area Security Rebate is a program which will reimburse eligible applicants for security updates. Projects must preserve building stock, improve neighborhood safety or economic value, and enable businesses to stay in the neighborhood, remain competitive, or even expand within the SSA District.

FUNDING

- Grants only, in the form of reimbursement
- Funding up to \$1,000 of eligible costs
- \$1,000 annual maximum assistance per industrial or commercial business
- If needed, applicants can be selected by lottery with a waiting list created

ELIGIBLE COSTS

Eligible costs are based upon security updates that become permanent to the building. The SSA Program is designed to encourage economic development, to help Chicago businesses, and to encourage revitalization of neighborhoods. Residential unit interiors

APPLICATION PROCESS

Stage 1. (Application Process, 60 day time frame)

Application has been received; all supporting documents due within 60 days. Missing or incomplete paperwork will be requested at this time. If the applicant is ineligible, the reasons for that determination will be explained. Lottery. If demand for grant funds exceeds available money in any given SSA District after the Application Acceptance Period, all eligible applications will be placed in a lottery. Once all the available funds have been reserved for lottery participants, the remaining participants will be put on a waitlist in the order their lottery numbers were drawn. Waitlisted participants will be notified if surplus funds become available after the SSA's program midyear assessment.

Stage 2. (Project Planning , 15 day time frame)

- Applicants must submit a minimum of two separate contractor bids, a City of Chicago Business License for their contractor, and proof of their contractor's General Liability Insurance for all eligible work listed on their application.
- If a permit is needed, applicants must submit a City of Chicago Building Permit for all work to be performed
- SSA Commissioners determine the percentage of rebate 25%, 50%, or 75%
- The Applicant is advised to consult Greater Southwest Development Corporation to insure that all Program Guidelines are met prior to finalizing plans for eligible work
- Greater Southwest Development Corporation shall conduct an initial site inspection and photographically document proposed projects

If all the above is acceptable, Applicant will receive a Conditional Commitment Letter (Stage Three Letter) from Greater Southwest Development Corporation, indicating the maximum grant the Applicant may receive and the description of eligible work to be performed.

ANY WORK BEGUN PRIOR TO RECEIVING A CONDITIONAL COMMITMENT LETTER FROM GREATER SOUTHWEST DEVELOPMENT CORPORATION WILL NOT BE ELIGIBLE FOR REIMBURSEMENT UNDER THIS PROGRAM

Stage 3. (Construction, 60 day time frame)

Construction work must be performed in accordance with plans and specifications approved by the City of Chicago. Changes may occur, but must be approved in writing by Greater Southwest Development Corporation.

- Applicant submits closing documentation including cancelled checks and waivers of lien to prove payment. Projects paid in cash will not be reimbursed.
- Greater Southwest Development Corporation conducts the final site visit to confirm that the Applicant fully complied with the program requirements.

Stage 4. Greater Southwest Development Corporation will collate documents and process internally for reimbursement. This process should take around 1-4 weeks.
